Mrs. Kohl was born in Orland township to Conrad and Mary Keuch, September 26, 1876. Her father died when she was an infant and in a few years her mother was united in marriage with Christ Mager of Frankfort. When the then Miss Mary

Keuch and Joseph Kohl were married February 27, 1902, they set up housekeeping on a farm south of Frankfort where they lived for 15 years. In 1917 they moved to the farm where they now live on LaPorte road, near Mokena and cared for his parents until their death.

Non Partisan School Committee Formed

Monday evening, February 20, a group of 29 Mokena residents interested in the forming of the new seven-man school board met in the VFW hall for the purpose of discussing this new board. Dean Rueckert was asked to serve as temporary chairman. It was decided by the group to call this organization "The Non-Partisan School Committee."

The first purpose of this organization, it was brought out, was to support qualified candidates to the school board. The platform which our group wish to stand upon is as follows:

1. To keep politics out of school affairs.
2. To promote activities in the school for the welfare of the school children.
3. Improve the sanitary conditions in our school.
4. To publicize school board activities.

It was also brought out that this particular group was not to circulate petitions, but only through suggestions of the members present at the March 3rd meeting to investigate or, if necessary, ask qualified residents of Mokena to serve on this school board.

There were officers elected at this meeting to serve for the duration of the committee: Gerritt Swart was elected president; Mrs. T. Arthur Shoop, vice president; Mrs. James Murphy, secretary, and Mrs. June Hentsch, treasurer.

Milton Geuther brought several copies of an article entitled "What Makes a Good School Board Member?" This article was read to the group by the secretary, Mrs. Murphy.

It was also agreed upon that the organization hold a publicized open meeting for the purpose of selecting a committee to call upon the persons whose names had been suggested to serve on the school board. The time and date for this meeting is March 3rd at 9:00 p. m. in the VFW hall.

It was further agreed that all candidates for the school board could come to this open meeting and we sincerely hope they will. This is also an open invitation to everyone who is a resident of school district 159 to be present at this very important meeting, March 3rd.—Kenneth Sherwood, publicity.

Readers Viewpoint

February 27, 1952
To the Editor of the News-Bulletin:

Monday and Tuesday, the world's outstanding Christians, Martin Niemöller and his wife, will be in Joliet. He will speak at a mass meeting at the JHHS auditorium on Wednesday evening at eight, and at the Ottawa Street Methodist church on Thursday at a luncheon meeting. His wife will address an open meeting for women at the same church on "Christian Women and Peace" at 1:15 following the luncheon.

The significance of these people lies in their exemplification of applied Christian strategy. Pastor Niemöller has recently returned from a visit to Moscow. For this he has been roundly maligned by other world leaders who think that the only way to fight Communism is by force of arms. His strategy is that of resistance by "suffering for convictions." This he exemplified in his opposition to the Nazis.

He believes that Stalin can even now be forced into peaceful competition and that "the responsibility rests with the Christian world." We have to find a peaceful way "not to lose the initiative" in the world revolution. How? He calls for a "wall of hearts which will not surrender to the Eastern ideology and a wall of social endeavors which will compete in a peaceful way against anything that might call for a revolution" along the Moscow style.

I write this because I think your readers are interested in hearing Pastor Niemöller, and in the Christian strategy which in essence is that of the Cross of Christ and lies outside of capitulation to Stalin and at the same time outside of the all-out armed battle with communism to the finish.

Sincerely yours,
Rev. William J. Riemann

Farm Magazine Features N. L. Girl

The work of Rosemary Archibald, of New Lenox, as a good-will ambassador to Europe last summer, drew comment in the March Capper's Farmer.

Miss Archibald, whose home is a 280-acre grain and livestock farm near New Lenox, was an International Farm Youth Exchange delegate to Ireland, says the nationally-circulated farm magazine. She found Irish people eager to hear about America.

Some of the work the delegates did and how they did it is told in a letter which Miss Archibald wrote from Ireland.

"We've been at the Irish Countrywomen's Association summer school ... We spoke for nearly an hour last night and they asked us questions. We tried thruout to put over the idea that we are basically the same kind of people and it did go over. Afterwards we couldn't count the people, who said, 'You've given us an entirely different impression of America. It's just like Ireland—not the way the films show.'"

"The longer we are here, the more I'm sure that IFYE is one of the keys to peace. I can see the good we've been able to do. If there only were enough IFYEs to reach everyone, I'm sure we could put the poor old world straight again. Because after all it is with the common people that understanding and peace must begin. The word 4-H opens so many doors—I hope some day IFYE will be 'ough known to open international doors.'"

Yours for the Asking!

Learn all about safe, efficient

infrared brooding methods as explained by your local Public Service Company Agricultural Engineer. Informative free lectures may be scheduled by adult groups, 4H Clubs, and schools. For Full Details, get in touch with your local office, Public Service Company of Northern Illinois.

Any sow would tell you the happiest, healthiest porkers snuggle down in cozy comfort under infrared heat lamps. They're the one luxury she would like to have most in her farrowing house... because infrared does the best job of keeping her pigs warm and dry as toast, free from fatal chilling.

That's because infrared rays are not reflected as easily as ordinary light rays. Pigs absorb more heat, get more benefit from the warmth.

And, if farmers understood pig language, smart sows would call their landlords' attention to other advantages of infrared heat lamps over ordinary light bulbs. They're easier to install... red-filtered light is easier on pigs' eyes... the life of the bulb is much longer... the bulb has a built-in reflector... and when they're made of hard glass they will not break on contact with moisture.

But don't take a pig's word for it. Experienced farmers say that infrared heat lamps are by far the best lamps for the extra warmth that prevents costly losses in litters. Switch to infrared heat lamps this winter. Your Public Service Agricultural Engineer will be glad to answer your questions and help you plan installations.

Sheriff Overbey Backs Herschbach

Convinced that with Walter O. Herschbach in the State's Attorney's office he will have the utmost co-operation in his program of law enforcement, Sheriff Ernest E. Overbey is stumping Will County in behalf of Mr. Herschbach.

Walter O. Herschbach, Sheriff Overbey is appealing to the voters of the county interested in good, honest government to nominate Mr. Herschbach as the GOP candidate for State's Attorney.

On numerous occasions, Sheriff Overbey has emphasized that Herschbach is a man of unquestioned ability and integrity and meets every qualification for the job.

"Herschbach is sincere and has worked hard for good government and clean politics within the party framework," Overbey stresses.

Further Overbey maintains that with Herschbach in the prosecutor's chair, the Sheriff's office will have the legal backing it needs if it is to function properly and if he is to keep his pledge to the people of the county.

Not only has Sheriff Overbey said these things orally, but he has put them in writing as shown by the following letter:

February 18, 1952

Fellow Citizens:
I want to appeal to those interested with me in law enforcement and good government. To carry out such a program the office of State's Attorney is vital. Walter O. Herschbach, who is a Republican candidate for State's Attorney, meets all necessary qualifications. He is a man of unquestioned ability and integrity.

Herschbach is a sincere man who has worked hard for good government and clean politics within the framework of the Republican party.

I am proud to lend my efforts wholeheartedly to Herschbach's election.

Sincerely,

ERNEST E. OVERBEY

The primary election to nominate candidates for the general election in November will be April 8. Mr. Herschbach is one of two candidates for the GOP nomination for State's Attorney. A native of Frankfort, he is a veteran of World War II. For 15 years he has practiced law in Will county.
